Permission for Nature Field Trips (off school property)

2022-2023

Child's Name: _____ Birthdate: _____

I give permission for my child (named above) to participate in walking field trips and activities off school property, in areas adjacent to, and surrounding, Temple Rodef Shalom Early Childhood Center property. I am aware that these nature trips will take place on foot, during my child's regular school hours, to and from Bunny's Place (TRS's natural playscape area) and on the wooded foot paths adjacent to, and surrounding, the Temple property.

I understand that these are class group trips and activities, where my child is accompanied by his/her teachers along with his/her classmates. I understand that participation is voluntary and that it exposes my child to some risk(s); (e.g. trips or falls on uneven ground, etc).
